

Delaware County Association of Criminal Defense Lawyers along with the Delaware County Bar Association Present:

Phoenix Training - Addiction and Connection to Treatment

Training Objectives:

- Apply the model of addiction as a chronic disease while removing stigma and encouraging hope
- Learn the principles of trauma informed practice and how they influence first responder interactions
- Identify and practice engagement techniques to utilize during interventions to connect people to treatment
- Practice critical concepts for Naloxone utilization in communities and the process for post overdose data entry
- Learn about the **Law Enforcement Treatment Initiative (LETI)** policy endorsed by your county's District Attorney's Office. This new program encourages Law Enforcement to serve as bridge to treatment for those suffering from substance use disorder.
